Who We Are

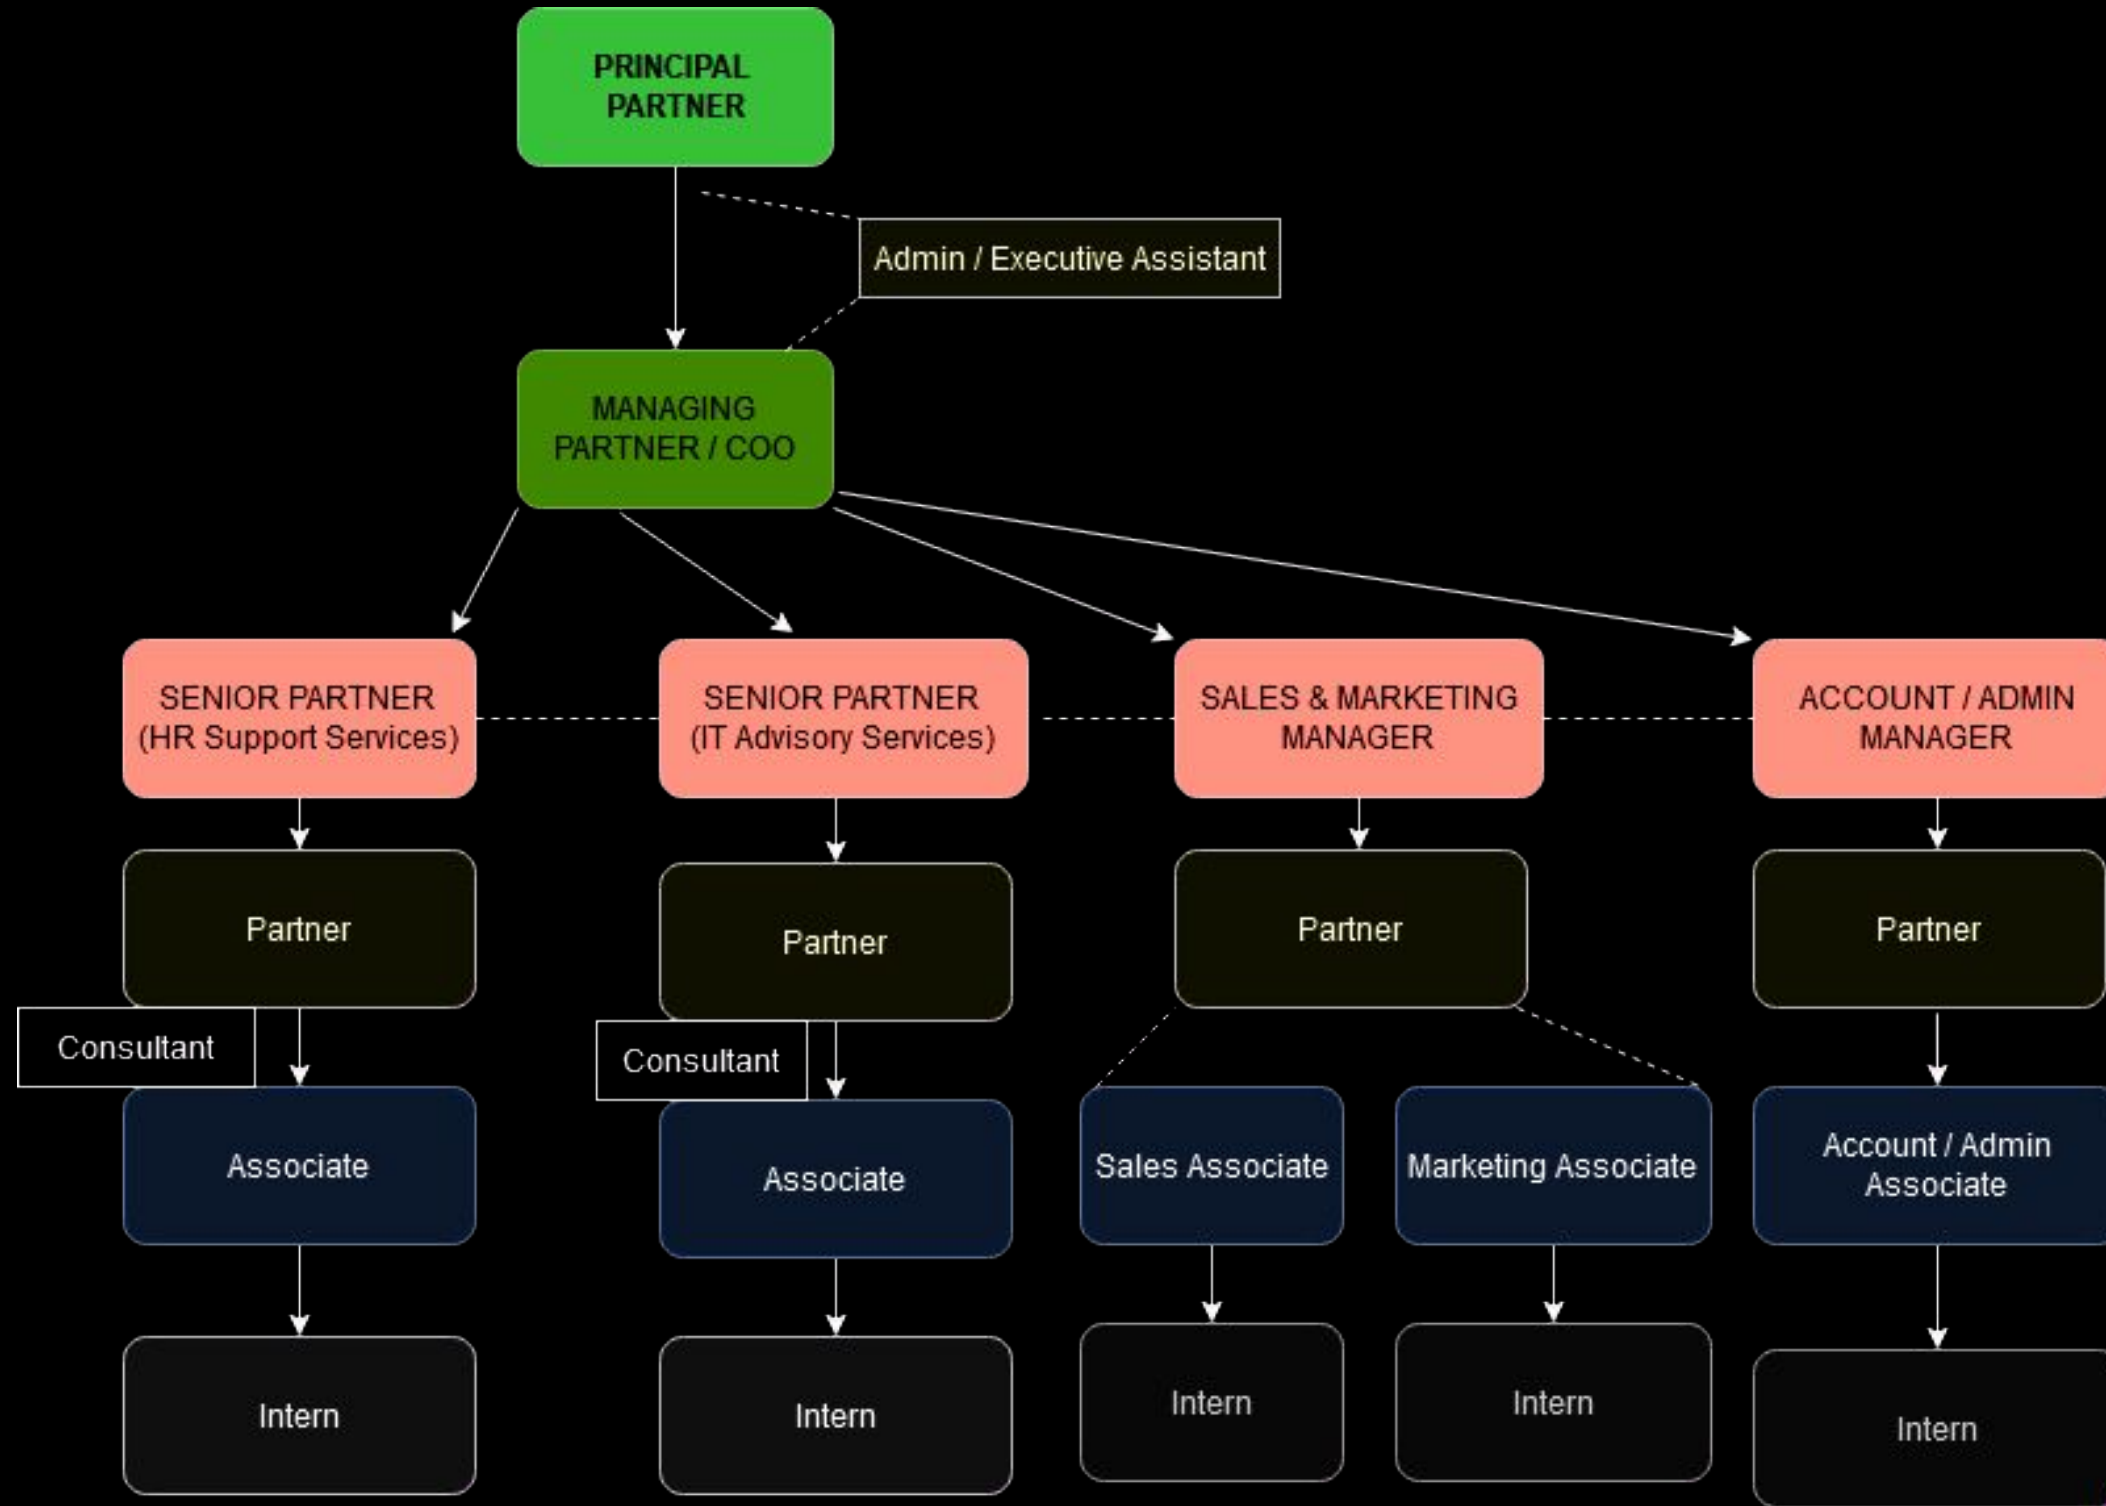

Globalclique is a leading Advisory and consultancy Company specializing in Technology Advisory, Workforce/HR, and Intermediation Solutions.

Our Globalclique HR – GHR provides Recruitment Process Outsourcing Solutions for African businesses. We leverage data, AI systems and Innovative Processes to provide tailor-made Talent Acquisition Solutions for growth-minded organizations.

We offer speedy solutions that enable organizations to grow in a fast-changing world by sourcing, assessing, developing and managing the human resources, processes and technologies that allow them to unlock their highest potential.

Workforce Structure

Our Mission

Bridging the Gap

To bridge the critical human capital and technology gap prevalent within Africa's dynamic business sectors by providing top-tier processes and expertise.

Empowering Growth

Through our Globalclique HR (GHR) , we deliver Recruitment Process Outsourcing (RPO) and HR solutions tailored to the needs of growth-oriented African businesses.

Our Vision

1

Harnessing Innovation

To harness the power of innovative technology, systems, and processes to catalyze positive change and empower individuals and organizations.

2

Fostering a Sustainable Future

We aim to lead the convergence of technology and humanity, shaping a better tomorrow.

Our Values

Passion

We are committed to excellence and driven by a passion for creating value in everything we do.

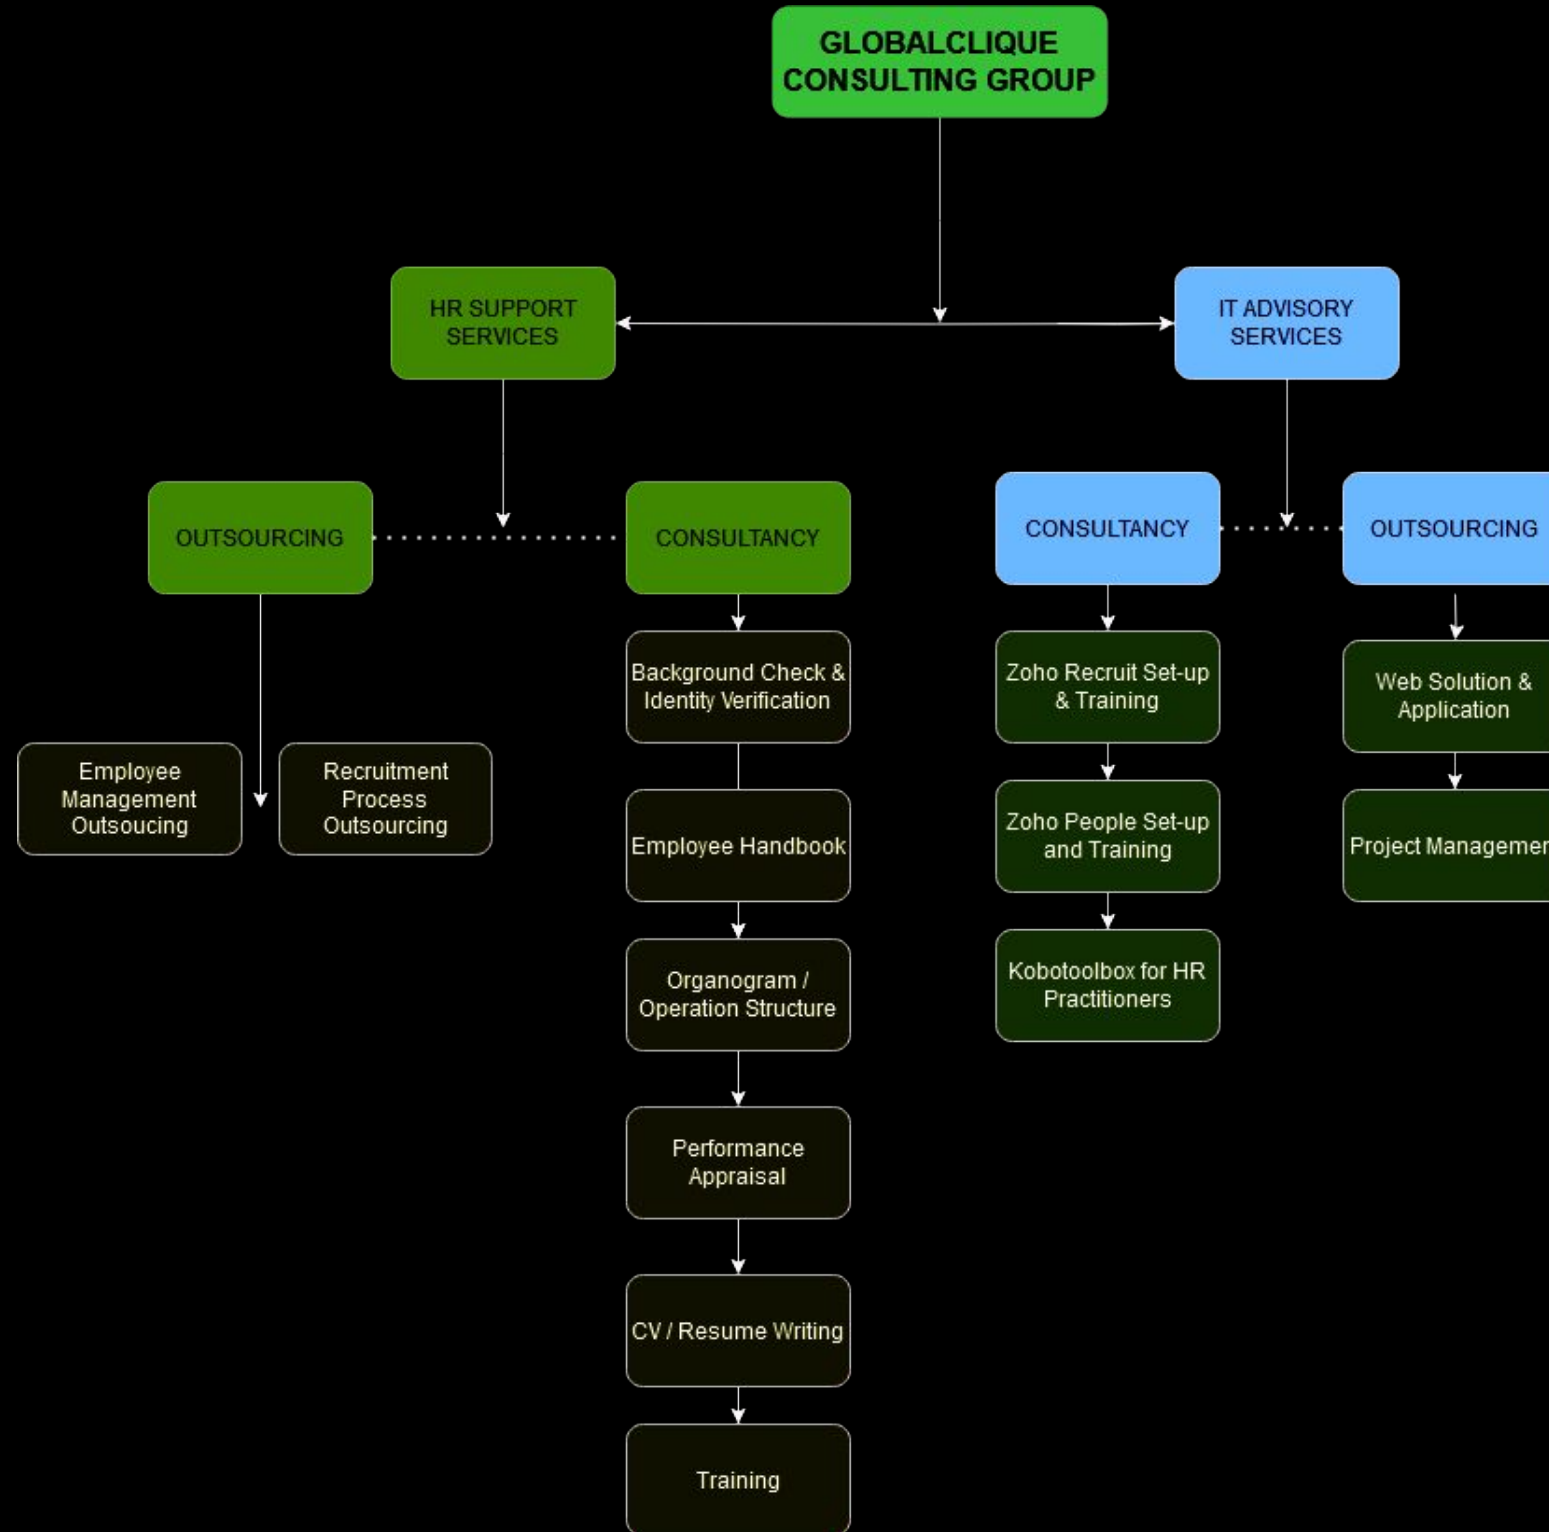

Purpose

We maintain clarity and objectivity, delivering results with a clear sense of direction and focus.

People

Our clients and team are our most valuable assets. We prioritize relationships and uphold their trust.
